

**Supply of equipment for waste management
in the Municipality of Bar, Montenegro
002T/BWS/12**

Opština Bar

The Municipality of Bar intends to award a supply contract for the procurement of equipment in order to improve the waste management in its territory by a pilot action, with financial assistance from the IPA Adriatic Cross-border Cooperation Programme, under the project “*Building Waste Sustainability: New Capacities for Sustainable Waste Management (BWS)*”.

The equipment the Municipality is seeking consists of one (1) refuse collection vehicle, one hundred (100) metal bins for communal and selective waste collection, and five (5) underground containers.

The tender dossier is available from the Sekretarijat za uređenje prostora, stambeno-komunalne poslove i zaštitu životne sredine, kancelarija 201, Opština Bar, Bulevar revolucije br. 1, 85000 Bar, Montenegro (Department for Urban Planning, Housing and Environmental Protection, Office 201, Municipality of Bar, Bulevar revolucije br. 1, 85000 Bar, Montenegro), and is also published on the website <http://www.bar.me/index.php?gid=139&id=140>. The deadline for submission of tenders is 15:00 CET on date 29/11/2012. Possible additional information or clarifications/questions shall be published on the aforementioned website address.
