

INVITATION FOR TENDERS

“CONSTRUCTION OF THE WATER SUPPLY PIPELINE KRKORI-ANDRIJEVICA”

Municipality of Andrijevica - Montenegro

Montenegro (hereinafter referred to as “the Borrower”) has received a loan from the European Investment Bank – EIB (hereinafter referred to as “the Bank”) and grant obtained through „Western Balkans Investment Framework“ (WBIF 2012) – towards the cost of the “Montenegro Water and Sanitation Project”. This International Invitation for Tenders relates to the contract for “Construction of the Water Supply Pipeline “Krkori-Andrijevica”. Estimated value of the contract is EUR 600.000.

This contract will include:

Based on the detail design of the pipeline section break-pressure tank – Andrijevica (2015), arranged by the Municipality of Andrijevica, construction of the Phase I of the gravity main Krkori – Andrijevica of around 4.5 km, starting from the downstream end, i.e. from the connection point to the water distribution network. The transmission main shall be constructed of HDPE pipes of outside diameter 315 mm and of nominal pressure PN16. The pipeline construction shall include all appurtenant elements on the pipeline route, such as washouts, air valve chambers, pipeline crossing with culverts, and other.

This contract is expected to be implemented within 240 days plus 365 days of Defect Notification Period (DNP) = commencement date + 240 days + DNP. Tentative start date of the contract is October 2015.

The criteria to be used in the tender evaluation are:

SELECTION/QUALIFICATION CRITERIA (Note: Qualification criteria and submission of proof are described in more details in the tender documents):

Economic and financial capacity of candidate:

- Minimum average annual turnover for construction works in the past 3 financial years cannot be lower than **EUR 1.5 million**.
- Access to lines of credit or any other credit facilities of not less than **EUR 200.000**.

Technical and professional capacity of candidate:

- At least **3 contracts** completed (similar to the proposed works) within the last five years, each with a value of at least **EUR 500,000**.

Tenderer’s key personnel (Contractor’s Representative, Hydraulic/Civil Engineer, Site Managers – min. 2 persons and Land Surveyor) with appropriate qualifications, skills and experience (defined in the tender document).

The tenderer must be a **registered firm or natural person legally capable of carrying out the specified works** At the moment of tender submission, the tenderer (including key personnel) shall have a professional licence(s), certificate(s) (or right), in accordance with the laws of the

country in which he is established (or equivalent) for the execution of the construction works. At the moment of Contract signing, the Contractor will have to be accredited (authorised) and registered in accordance with the relevant legislation of Montenegro.

Tenderers shall prove availability of suitable equipment for the proposed contract.

AWARD CRITERIA:

The Employer shall award the Contract to the Tenderer whose offer has been determined to be the lowest evaluated tender and is substantially responsive to the tender document, provided further that the Tenderer is determined to be qualified to perform the Contract satisfactorily.

Firms originating from all countries of the world are eligible to submit tenders.
