Committee on Government Procurement

**ACCESSION OF MONTENEGRO TO THE
AGREEMENT ON GOVERNMENT PROCUREMENT**

Decision of the Committee of 29 October 2014

The Committee on Government Procurement,

Having regard to Article XXIV:2 of the Agreement on Government Procurement done at Marrakesh on 15 April 1994 (the "1994 Agreement"), and Article XXII:2 of the 1994 Agreement on Government Procurement as amended by the Protocol Amending the Agreement on Government Procurement, done at Geneva on 30 March 2012 (the "amended Agreement")¹;

Having regard to the decision of the Committee on Government Procurement on adoption of the text of the Protocol Amending the Agreement on Government Procurement, taken on 30 March 2012 (Appendix 1 to GPA/113 of 2 April 2012), and in particular its paragraphs 3 and 4;

Having regard to the entry into force of the Protocol Amending the Agreement on Government Procurement on 6 April 2014 in accordance with paragraph 3 of the said Protocol, and to the subsequent acceptance of the Protocol Amending the Agreement on Government Procurement by two additional Parties;

Noting also that three other Parties to the Agreement on Government Procurement have still to accept the Protocol Amending the Agreement on Government Procurement; and

Considering Montenegro's application for accession to the Agreement on Government Procurement, contained in document GPA/120 of 4 October 2013, and the consultations held with the Parties to the Agreement on Government Procurement and additional documentation submitted in pursuance thereof;

Decides as follows:

1. In accordance with the provisions of Article XXIV:2 of the 1994 Agreement and Article XXII:2 of the amended Agreement, Montenegro may accede to the Agreement on Government Procurement on the terms of this decision including its attachments.
2. The Agreement on Government Procurement shall enter into force for Montenegro on the thirtieth day following the date of its accession, i.e. the date on which the instrument of accession reproducing the terms of this decision, including its Attachment A, has been received by the Director-General.
3. Pursuant to paragraph 4 of the decision of the Committee on Government Procurement on adoption of the text of the Protocol Amending the Agreement on Government Procurement, taken on 30 March 2012 (Appendix 1 to GPA/113 of 2 April 2012), Montenegro shall be bound by said Protocol from the date of entry into force of the Agreement on Government Procurement for it.
4. From the date of entry into force of the Agreement on Government Procurement for it, Montenegro shall provide access to the procurement that it covers under Appendix I as set out in Attachment A to this decision to all Parties to the Agreement on Government Procurement.

¹ The 1994 Agreement and the amended Agreement are hereafter referred to together as the "Agreement on Government Procurement".

5. From the date of entry into force of the Agreement on Government Procurement for Montenegro, the European Union's Appendix I Annexes will apply subject to the terms set out in Attachment B to this Decision.

6. Until the Protocol Amending the Agreement on Government Procurement has entered into force for all Parties to the 1994 Agreement, as between Montenegro and a Party only to the 1994 Agreement, the latter Party's Appendix I to the 1994 Agreement shall apply.

7. This Decision shall expire six months after the date of its adoption by the Committee on Government Procurement unless it is extended by that Committee by mutual consent between the Committee and Montenegro.

8. From the date of entry into force of the Agreement on Government Procurement for Montenegro, the terms attached to its instrument of accession shall become an integral part of the Agreement on Government Procurement as the Appendices with regard to Montenegro.

ANNEX 3

OTHER ENTITIES

Thresholds:

Goods	SDR 400,000
Services	SDR 400,000
Construction Services	SDR 5,000,000

List of Entities:

1. All contracting entities whose procurement is covered by the public procurement legislation of Montenegro which are contracting authorities (e.g. those covered under Annex 1 and Annex 2) or public undertakings¹ and which have as one of their activities any of those referred to below or any combination thereof:

- a. the provision or operation of fixed networks intended to provide a service to the public in connection with the production, transport or distribution of drinking water or the supply of drinking water to such networks;
- b. the provision or operation of fixed networks intended to provide a service to the public in connection with the production, transport or distribution of electricity or the supply of electricity to such networks;
- c. the provision of airport or other terminal facilities to carriers by air;
- d. the provision of maritime or inland port or other terminal facilities to carriers by sea or inland waterway;
- e. the provision or operation of networks² providing a service to the public in the field of transport by urban railway, automated systems, tramway, trolley bus, bus or cable.
- f. the provision or operation of networks providing a service to the public in the field of transport by railways.³

2. An indicative list of contracting authorities and public undertakings fulfilling the criteria set out above follows.

¹ A public undertaking is any undertaking over which the contracting authorities may exercise directly or indirectly a dominant influence by virtue of their ownership of it, their financial participation therein, or the rules which govern it.

A dominant influence on the part of the contracting authorities shall be presumed when these authorities, directly or indirectly, in relation to an undertaking:

- i. hold the majority of the undertaking's subscribed capital, or
- ii. control the majority of the votes attaching to shares issued by the undertaking, or
- iii. can appoint more than half of the undertaking's administrative, management or supervisory body.

² As regards transport services, a network shall be considered to exist where the service is provided under operating conditions laid down by a competent authority of Montenegro, such as conditions on the routes to be served, the capacity to be made available or the frequency of the service.

³ E.g. the provision or operation of networks (within the meaning of footnote 4) providing a service to the public in the field of transport by high-speed or conventional trains.

Notes to Annex 3

1. Procurement for the pursuit of an activity listed above when exposed to competitive forces in the market concerned are not covered by this Agreement.
2. This Agreement does not cover procurement by procuring entities included in this Annex:
 - a. for the purchase of water and for the supply of energy or of fuels for the production of energy;
 - b. for purposes other than the pursuit of their activities as listed in this Annex or for the pursuit of such activities in a non-EEA country;
 - c. for purposes of re-sale or hire to third parties, provided that the procuring entity enjoys no special or exclusive right to sell or hire the subject of such contracts and other entities are free to sell or hire it under the same conditions as the procuring entity.
3. The supply of drinking water or electricity to networks which provide a service to the public by a procuring entity other than a contracting authority shall not be considered as an activity within the meaning of paragraphs a. or b. of this Annex where:
 - a. the production of drinking water or electricity by the entity concerned takes place because its consumption is necessary for carrying out an activity other than that referred to in paragraphs a. to f. of this Annex; and
 - b. supply to the public network depends only on the entity's own consumption and has not exceeded 30% of the entity's total production of drinking water or energy, having regard to the average for the preceding three years, including the current year.
4. I. Provided that the conditions in paragraph II are met, this Agreement does not cover procurement:
 - a. by a procuring entity to an affiliated undertaking⁴, or
 - b. by a joint venture, formed exclusively by a number of procuring entities for the purpose of carrying out activities within the meaning of paragraphs a. to f. of this Annex, to an undertaking which is affiliated with one of these procuring entities.

⁴ "affiliated undertaking" means any undertaking over which the procuring entity may exercise, directly or indirectly, a dominant influence, or which may exercise a dominant influence over the procuring entity, or which, in common with the procuring entity, is subject to the dominant influence of another undertaking by virtue of ownership, financial participation, or the rules which govern it.

II. Paragraph I shall apply to services or supplies contracts provided that at least 80% of the average turnover of the affiliated undertaking with respect to services or supplies for the preceding three years derives respectively from the provision of such services or supplies to undertakings with which it is affiliated.⁵

5. This Agreement does not cover procurement:

- a. by a joint venture, formed exclusively by a number of procuring entities for the purposes of carrying out activities within the meaning of paragraphs a. to f. of this Annex, to one of these procuring entities, or
- b. by a procuring entity to such a joint venture of which it forms part, provided that the joint venture has been set up to carry out the activity concerned over a period of at least three years and the instrument setting up the joint venture stipulates that the procuring entities, which form it, will be part thereof for at least the same period.

6. The following shall not be considered as covered procurement:

- a. procurement by procuring entities operating in the fields of:
 - i. production, transport or distribution of drinking water covered under this Annex;
 - ii. production, transport or distribution of electricity covered under this Annex;
 - iii. airport facilities covered under this Annex;
 - iv. maritime or inland port or other terminal facilities covered under this Annex; and
 - v. urban railway, tramway, trolley bus or bus services covered under this Annex in regard of supplies, services, suppliers and service providers from Canada;
- b. procurement by procuring entities operating in the field of production, transport or distribution of drinking water covered under this Annex in regard of suppliers and service providers from the United States;
- c. procurement by procuring entities operating in the field of maritime or inland port or other terminal facilities covered under this Annex of dredging services or related to shipbuilding in regard of suppliers and service providers from the United States;
- d. procurement by procuring entities covered under this Annex of air traffic control equipment in regard of suppliers and service providers from the United States;
- e. procurement by procuring entities operating in the field of airport facilities covered under this Annex in regard of suppliers and service providers from the United States and Korea;
- f. procurement by procuring entities operating in the field of urban railway, tramway, trolleybus or bus services covered under this Annex in regard of suppliers and service providers from the United States;
- g. procurement by procuring entities operating in the field of urban railway covered under this Annex in regard of suppliers and service providers from Japan;
- h. procurement by procuring entities operating in the field of railways covered under this Annex in regard of goods, suppliers, services and service providers from Armenia; Canada; Japan; the United States; Hong Kong, China; Singapore and the Separate Customs Territory of Taiwan, Penghu, Kinmen and Matsu;

⁵ When, because of the date on which an affiliated undertaking was created or commenced activities, the turnover is not available for the preceding three years, it will be sufficient for that undertaking to show that the turnover referred to in this paragraph is credible, in particular by means of business projections.

- i. procurement by procuring entities operating in the field of high-speed railways and high-speed railways infrastructure in regard of goods, suppliers, services and service providers from Korea;
- j. procurement by procuring entities covered under this Annex of good or service components of procurement which are not themselves covered procurement in regard of suppliers and service providers from the United States;
- k. procurement by procuring entities operating in the field of production, transport or distribution of electricity covered under this Annex in regard of suppliers and services providers from Japan;
- l. procurement by procuring entities operating in the field of production, transport and distribution of electricity covered under this Annex of HS Nos. 8504, 8535, 8537 and 8544 (electrical transformers, plugs, switches and insulated cables) in regard of suppliers from Korea;
- m. procurement by procuring entities operating in the field of production, transport and distribution of electricity covered under this Annex of HS Nos. 85012099, 85015299, 85015199, 85015290, 85014099, 85015390, 8504, 8535, 8536, 8537, and 8544 in regard of suppliers from Israel;
- n. procurement by procuring entities operating in the field of bus services covered under this Annex in regard of suppliers and service providers from Israel;

until such time, Montenegro has accepted that the Parties concerned provide satisfactory reciprocal access to Montenegrin goods, suppliers, services and service providers to their own procurement markets.

7. The provisions of Article XVIII shall not apply to suppliers and service providers of Japan, Korea and the US in contesting the award of contracts to a supplier or service provider of Parties other than those mentioned, which are small or medium sized enterprises under the relevant provisions of Montenegrin law, until such time as Montenegro accepts that they no longer operate discriminatory measures in favour of certain domestic small and minority businesses.

The provisions of Article XVIII shall not apply to Japan and Korea in contesting that award of contracts by Montenegrin entities, whose value is less than the threshold applied for the same category of contracts awarded by these Parties.

8. The following shall not be considered as covered procurement:

- a. procurement by procuring entities operating in the field of urban transport covered under this Annex of the following goods and services:
 - i. H.S. 44.06 Railway or tramway sleepers of (cross-ties) wood;
 - ii. H.S. 68.10 Railway or tramway sleepers of concrete and concrete guide-track sections for hovertrains;
 - iii. H.S. 73.02 Railway or tramway track construction material of iron or steel, the following: rails, check-rails and rack rails, switch blades, crossing frogs, point rods and other crossing pieces, sleepers (cross-ties), fish-plates, chairs, chair wedges, sole plates (base plates), rail clips, bedplates, ties and other material specialized for jointing or fixing rails;
 - iv. H.S. 85.30.10 Electrical signalling, safety or traffic control equipment for railways, tramways;
 - v. H.S. Chapter 86 - Railway or tramway locomotives, rolling-stock and parts thereof; railway or tramway track fixtures and fittings and parts thereof; mechanical (including electro-mechanical) traffic signalling equipment of all kinds;
